## AGES & HOURS:

Asheville Montessori School (AMS) is an educational environment, which focuses on the development of the whole child, serving children between the ages of 3 - 6. The school day begins at 8:15 AM and ends at 2:45PM. Because of the importance of having a clean and prepared classroom environment, as well as following our sanitation guidelines & rules, **children are not to enter the classroom before 8:15.** Parents may pick up their children between 2:45 and 3:00 for full day, and between 11:45 & 12:00 for half day. After school care is provided from 3:00 to 5:00. **Our school is closed at 5:00 PM.** A detailed description of parent fees and financial policies is located on our website. **Please note:** *We are unable to accommodate half day students for lunch and/or our afternoon schedule per the State of NC guidelines.*

## ADMISSION REQUIREMENTS & ENROLLMENT PROCEDURE:

Asheville Montessori School has the following entry level skills to help the new child be successful in the classroom. The child needs to be able to accomplish them when they start at AMS.

1. Is able and willing to follow direction from a teacher.
2. Uses toilet on suggestion (each time) and tries to pull up own pants - **not training pants or pull ups.**
3. Sits for 3 minutes quietly and listens to a story without interrupting those around them with actions or words.
4. Uses words to express a choice.
5. Uses words to get needs met - must be verbal enough to tell the teacher when they are hurt, hungry, tired, etc.
6. Uses kind words, hands and feet with friends.
7. Keeps things out of their mouth.
8. Is comfortable leaving pacifier, blanket, toys, dolls, etc. at home or in the car.
9. Is successful in separating from the parent. (Parent is ready to encourage them to be independent. It is understandable that this may be a struggle at the beginning of the year.)

In order to enroll your child at AMS, a parent or guardian must fill out an application to the school. This application must be turned into the Director with a **non-refundable deposit and registration fee.** A detailed description of parent fees and financial policies are located on our website.

## PARKING, ARRIVALS & DISMISSALS: *(Please see COVID 19 Addendum.)*

Arrival – Parents will enter the parking lot to the right, going around the circle, and stopping at the front door. A Teacher will come and unbuckle your child out of their carseat and walk them into school. Parents no longer need to get out of their car during carline. *If your child is struggling to separate on a particular morning, please pull your car around and park to walk your child to the door/office.*

**Special Note:** Please leave your child buckled in his or her car seat until the car comes to a complete stop at the entrance. Please do not allow your child to stand, “assist you in driving,” or stick their head out of the sun roof. These are all unsafe practices as well as not a good example for the other children. Following these guidelines will ensure the safety of every child.

Dismissal – Dismissal begins at **11:45 AM** (for half-day) or **2:45 PM** (for full-day). Children will leave the school by way of the front door. Please enter the parking lot to the

right and drive to the door. Your child's teacher will bring your child to the car and buckle them in their car seat. If you are picking up your child at any other time, please park and come inside to the office.

Early Dismissals - Please notify the office if you need early dismissal. AMS uses an electronic system for daily attendance. Each time your child leaves the school, they will be checked out. If they return the same day, they will be checked back in.

### **CAR SEATS:**

Because of various liability issues and the importance of properly placing children correctly in car seats, our staff members cannot place children in car seats unless a Car Seat Waiver has been signed and is on file. *Our staff may NOT put a child in a car without a car seat, due to safety issues.* Thanks for understanding.

### **SNACKS & THE SNACK BASKET:**

A nutritious morning snack will be offered to all children. (The snack will encompass 2 to 3 different food groups.) (Children staying in the after-care program will receive an afternoon snack, as well.)

Families are invited to share in snack choices by taking home our snack basket once (or more!) a year. Families will be given the option to take the snack basket home. In the bottom of the basket are some suggestions you may follow. Shopping together with your child for these snacks is a wonderful way to teach the joy of sharing to your child. Remember, participation is completely a choice on your part.

**Special Note:** We have children enrolled with severe nut allergies. **In order to safeguard these children, we are a nut-free environment.**

### **WATER BOTTLES:**

We require you to send a fresh water bottle daily **with your child's name on it**. Please wash it out and put fresh water in it each day. Please, no juice, milk, or flavored water in water bottles...just water!

### **LUNCH:**

All children staying through the lunch hour will bring a packed lunch from home. This lunch should include nutritious items for your child. Juice is welcomed at lunchtime by most children. Please make sure you select a kind that is **100% juice**. Also, please choose foods with low-sugar content and no synthetic dyes! Please **DO NOT** send soda of any kind. Also, no candy or chocolate is allowed. We do have a microwave and would be happy to heat "leftovers" for your child if you choose to send them. The state requires that 4 food groups be represented in each lunch served. Thank you for helping us with this! Lastly, please **place your child's name** on their lunch box. The state requires that we apply each day's date onto each child's lunchbox. Lunches are stored inside of a refrigerator until lunchtime. Organic cow's milk is offered during lunch. If you do not wish your child to have this, please clearly communicate this to your child's teacher in writing. You are welcome to send a milk alternative (**nut free**) to store in the classroom fridge that we will serve your child instead of cow's milk. *No sharing of food is allowed between students.*

### **CUBBIES:**

Your child will have a cubby of their very own. This cubby holds your child's water bottle, jacket, hat, gloves, slippers and book bag. Full day friends also have a small blanket and snuggle friend. State law requires that all clothing items, blankets, etc. not extend out of the

cubby where it can touch other children's items. In light of the cubby size, please be mindful of the size of the book bag/backpack your child brings.

### REST TIME:

Each Monday, pre-school children are given a clean sheet. You may send a small blanket and one small sleep friend from home. These are contained within the cot. Blankets are sent home every other Friday to be washed. **Please return on Monday!**

### SHOES:

When children arrive at school, they place their own shoes in their big cubby. This helps your child feel at-home and relaxed at school. **We strongly encourage you to send your child in shoes that fasten by velcro or elastic.** This way he/she can be independent in the putting on of their shoes for outdoor play. *(You may also send a pair of slippers for classroom use.)*

### CLOTHING:

We encourage you to dress your child in comfortable play clothes that can be easily washed. We request that your child dress in clothing that is **free of "superheroes."** (We have found that wearing clothing with superheroes encourages more aggressive and divisive play on our playground), **political statements** (AMS seeks to be politically neutral in the interest of unity & peace), **and costumes.... except on Halloween.** Please help us encourage and maintain peaceful play and an atmosphere of unity. **Please label your child's outerwear.**

### EXTRA CLOTHING:

Please send your child with a complete set of extra clothes (shirt, pants, underwear, and socks) **in a gallon zip-lock bag with their name on it.** Please label each piece of clothing with your child's name. These clothes will be kept at school in case they are needed, and will be sent home to switch out seasonally. It can be helpful to also have an extra pair of shoes, if available.

### VOLUNTEERS:

Volunteers are welcome and appreciated in our classroom! Specific opportunities to volunteer in our learning environment will be offered at various times throughout the school year. Most children really enjoy having their dad, mom, grandparent, or loved one come to their classroom. Please arrange with the teacher a convenient time to be an important part of their class. (Please note: please give your child the very first month to adjust to the new classroom, teachers, friends. Then we will be ready to delight in having you volunteer in the classroom!) **Each teacher has their own volunteer form for you to fill out.**

### DISCIPLINE POLICY:

A detailed description of our discipline policy is included in your enrollment process online. Please feel free to ask any questions you may have concerning discipline. (Special Note: We practice conscious discipline, which is loving, positive, respectful and intentional.)

Many parents have asked about the steps taken if a child needs help to make more appropriate and respectful behavior choices. If a challenging behavior occurs in the classroom, these steps will be followed:

1. The teacher will have a conversation with the child, seeking to understand why the child chose this behavior, and will discuss what would be a better choice to make.
2. If the behavior continues, the teacher will next talk with the parents about it. Together, they will make a plan to help the child to make a better choice.
3. If the behavior continues without improvement, the parents, Teacher and Director will meet. (At this meeting, there may be a discussion of bringing in outside professional help to

- support the child's developmental needs.)
4. If there is still no improvement over time in this behavior, we will evaluate whether our school is a match for this child's developmental needs at this time.

**Policy on Biting:** It is our belief that a young child who bites usually does so without malice. It is often an expression of anger and frustration. Nonetheless, biting is extremely dangerous. A child who bites will be removed from the group, then soothed and comforted, and shown ways to express their feelings safely. Because biting is always an unacceptable behavior, both sets of parents will be notified immediately, and a plan of remediation will be enacted. A meeting with the Director and parents will follow if further biting occurs. If biting continues with no improvement over a period of 6 to 8 weeks, we will need to evaluate whether our school is a match for this child's developmental needs at this time.

**Running from the Teacher:** Although this may seem like a good idea to the child, running from the teacher or out of the classroom can be a dangerous choice. It is our goal and desire to keep every child safe and well-cared-for. If this happens, the child and teacher will have a conversation about the dangers of running from a teacher, and the parents will be notified.

#### **MONTHLY LETTERS:**

Twice a month, you will receive an email with any pertinent information you may need; such as policy changes, letter of the week, upcoming events, units we are studying, etc. Week 1 will be an email from the teacher, and Weeks 3 will be from the Director.

#### **LETTER OF THE WEEK:**

Each week, we will be learning about a new letter of the alphabet and things that begin with that sound. Your child will do activities and art projects that will relate to that letter. On Friday, we will have a sharing circle, in which your child will share an item from home that starts with that week's letter. It will be announced on the school white board and it will also be posted on our website. We encourage things from nature, photographs, and real items for sharing, as opposed to toys. Be creative!

#### **TOYS:**

Please do not allow your child to bring toys to school. It can add conflict and distraction to our classroom. Thank you, in advance.

#### **PLAYGROUND PLAY:**

We extend our peace curriculum to our playground. We encourage imaginative play within peaceful boundaries (i.e. no weapons or aggressive play is allowed). Superheroes are not encouraged because it often leads to aggressive play. We promote an interest in nature, creative play, and rescue heroes, instead. We must strive for the safety of all our children at all times! Thanks for your understanding!

#### **MEDICATION:**

If your child MUST be given medication in the school day, you MUST fill out a form giving us specific permission to do so. ALL medication is locked away, except for the time it is being administered to your child. The exception to this is an EpiPen or inhaler. Because of the need to administer immediately, it is stored 5ft. above the floor. This is on bulletin boards in all classrooms. This policy applies to insect repellent, sunscreen, and lip balm as well. You must supply insect repellent and sunscreen; we are not allowed to provide those items per North

Carolina state law.

If your child falls down and gets a skinned knee, etc. at school, we are only allowed to wash the wound, administer ice to the wound, and/or bandage it. We are NOT allowed to remove splinters. If your child is hurt on the playground, the teacher will fill out a report which you will be asked to sign.

### **HEALTH AND SAFETY:**

Please know that your child's health and safety are a priority for us at all times! In addition to the current training in Teacher Orientation, all staff have undergone an intensive on-line training for various aspects of health and safety. In addition to our monthly fire drills, we have added "safe place" drills, practiced four times in the school year. Also, there has been year long planning that would include any kind of emergency. We have designated sites away from campus, if this ever becomes necessary. These off-campus safe places include two within walking distance of our schools and even one that would require vehicle transportation. Not only are these sites secured, but also preparations have been made for how to care for each child in and through that process. Please be reassured that part of this detailed plan is communication. Your phone numbers and email addresses are with us at all times. We are committed to keeping you updated and in the loop. YOU are an important part of this plan. We do not anticipate these kinds of emergencies, but if they ever happen we are ready and prepared to keep your children safe.

### **HEAD LICE:**

Head Lice are tiny, blood-sucking parasites. They depend on human blood to survive. They are transmitted from one human host to another. If you have hair and blood, you are an equal opportunity host. Symptoms do not develop for 7 to 10 days after infestation. (Having lice is not the result of being dirty.) Statistics tell us that there are over 12 million reported cases of head lice in the US per year. It is the number one cause of absenteeism in school.

**Our Policy: A child will be sent home if head nits or lice are discovered. They may return when they are nit and lice free.**

### **BROKEN MATERIALS:**

A very expensive and important part of a Montessori classroom are the materials. If your child breaks a material or damages the school property, we will ask your family to be responsible for replacing it. This helps teach your child both respect and responsibility. Thank you for your cooperation. (Please see a copy of the Broken Materials Form at the end of this booklet.)

### **BIRTHDAYS:**

A birthday is a very special time in a child's life. In the Montessori tradition, we celebrate your child in a very unique and special way.

We ask each family to send in at least one (or several!) picture of each year of your child's life. You can make it into a poster to share for several days with the class...or you may bring the pictures individually.

The celebration begins as the teacher lights a candle and says, "Let's pretend that this lighted candle is the sun." The teacher then has your child hold a small globe, and explains "'The earth takes one whole year to go all the way around the sun.'" The child will walk around the sun one time. "Now your child is one year old. What was your child like at one?" The parents are welcome to come & tell several highlights about their child's life for each age. Each time your child travels around the sun, pictures are shown of him/her at that age and interesting facts are given. **The celebration usually ends with a special snack (healthy**

**please!) provided by the child's family for each child.** Please talk with the teacher a week or more before your child's birthday to arrange a date and time for your child's celebration. Each child is unique and celebrating each one on their special day will be a fun way to honor each one.

Special Note: We do not do the traditional Montessori Birthday celebration in the summer months. If your child has a summer birthday, please schedule a birthday circle for your child with their teacher, either in May (before their birthday) or in September (after their birthday).

#### **SCHOOL CLOSURE POLICY DUE TO WEATHER:**

In the event of inclement weather, we will announce our closings in three places by 6:45 AM - 1) **WLOS** (channel 13), 2) on our voicemail at the school, 3) the **WLOS** website, & 4) We will send you a Brightwheel message! As always, our first consideration is your family's safety. Please be careful as you travel the roads to and from school.

#### **TAX ID:**

If you need our corporation's address and federal tax id for tax purposes, it is as follows:

**Montessori School of Asheville, Inc.**  
**EIN 20-1238133**

#### **SCHOOL ADDRESS & PHONE NUMBER:**

**Asheville Montessori School**  
**360 Weaverville Highway**  
**Asheville, NC 28804**  
**828-645-3433            Fax 828-645-1494**

#### **CLEANING:**

We are committed to providing a clean environment for your child. Frequent dusting and washing of materials, as well as daily sweeping, mopping & vacuuming are a part of our routine. The bathroom, tables and chairs are washed and sanitized with Clorox water several times a day. Staff and children wash their hands frequently throughout the day. Students and staff must wash their hands upon their arrival to school, before eating, after using the bathroom, after playing outdoors, and any time they are dirty and need it.

Please feel free to ask if you have any questions or concerns about our cleaning routines or policies.

#### **STAFF Qualifications and Training:**

All of our staff have gone through background checks, health and safety training, yearly continuing education hours, and have been certified in child CPR and First Aid. Our lead teachers have their Montessori Certification to be a lead teacher. Our Assistant teachers receive in-house training in the Montessori Philosophy and Method, while with us. All staff do Professional Development hours each year.

#### **BABYSITTING:**

*It is our policy that our staff may NOT provide baby-sitting service to those families currently enrolled in the school. This includes enrollment in Summer Camp. If you have any questions, please speak to the Director. Babysitting can create a conflict of interest for our staff, a blurring of boundaries for our students, and liability issues for our school.*

#### **RELEASE POLICY:**

Children are released only to those individuals so designated by their parents or other legal guardian on the child's application form. On that form, parents (or legal guardians) give the names, addresses, and phone numbers of those who are authorized to pick up the child. The following procedure will be used if there is an emergency or need to send someone not on the form:

1. If another individual who has been previously designated by the parent on the application form comes to pick up the child, they will be asked by staff to show a picture I.D.
2. If (due to an emergency situation) the parent or legal guardian needs to have someone other than an individual previously designated to pick up a child, the teacher must be informed ahead of time by the parent or legal guardian with a dated and signed note or a direct phone call from the parent or legal guardian. When the person arrives, he or she must remain outside on the porch until the teacher has confirmed the identity with a picture I.D. The child may then be released into that adult's care.

**FINANCIAL POLICY: Also, please see our separate Financial Policy document.**
